Graduate School

The MSU Graduate School offers nine master's degrees and one education specialist degree. Courses are available on campus, online, over IVN, and at other North Dakota locations.

The Master of Education degree offers several distinct concentrations as well as the option for a student to self-design a concentration to meet his/her classroom needs. The Master of Science in Special Education offers five concentrations, including Deaf Education and Developmental Disabilities/Autism Spectrum Disorders. For more focused discipline specific programming, students may select from a Master of Arts in Teaching (MAT) in Mathematics or Science, the Educational Specialist degree in School Psychology, or Master of Science degrees in Management or Information Systems.

The required capstone experience varies from completing a capstone course, an action research project, an artistic exhibition, a thesis, or written and oral comprehensive exams. Most programs provide students a choice for their final experience.

Several programs are state or federal grant supported, providing admitted students a range of financial support for their education. Additionally, MSU offers all students, regardless of residency, a low tuition rate of \$325.82 per credit for campus classes and \$327.42 per credit for online, IVN internet synchronous using Blackboard Collaborate, and other locations.

WHAT IS POETRY OUT LOUD?

Poetry Out Loud (POL) is a free national program sponsored by the National Endowment for the Arts, the Poetry Foundation and North Dakota Council on the Arts. By incorporating memorization and performance in the classroom, POL sets the stage for students to deepen their understanding of figurative language, word relationships and the nuances within word meanings. In addition, students learn about great poetry, explore their literary heritage and gain confidence in public speaking skills.

Starting at the classroom level, teachers use free POL multimedia curriculum materials – a Teachers' Guide, DVD, posters, and comprehensive website, all aligned to national standards – to augment their regular poetry curriculum with poetry recitation and a classroom-level competition. Winners advance to a school-wide contest, State Finals and, ultimately, to the National Contest held in Washington, D.C. Read more about POL at: <http://www.poetryoutloud.org/> & <http://ndpol.weebly.com/>

WHO CAN PARTICIPATE?

Any school or homeschool group in North Dakota that teaches students in grades nine through twelve can register to participate in POL. Public, private, parochial, alternative, independent, and Christian schools - as well as homeschool groups or organizations and school-sponsored afterschool programs - are encouraged to participate.

AWARDS

The State Champion receives \$200 and an all-expense-paid trip, with chaperone, to Washington DC to compete in the National POL Contest. The Champion's school receives a \$500 stipend for the purchase of poetry materials. The runner-up receives \$100, with \$200 for his or her school library. At the National Contest, contestants compete to earn awards in the amounts of \$1,000, \$5,000, \$10,000 and a grand prize of \$20,000.

HOW TO REGISTER

All schools wishing to participate in the North Dakota POL program must officially register through North Dakota Council on the Arts. POL Teacher Resource materials will be mailed to all participating teachers. To register contact Rebecca Engelman at: rengelman@nd.gov, or download and submit the online registration form found at: <http://ndpol.weebly.com/teacher-resources.html>. Early Bird Registration Deadline is October 1, 2015. All registrations must be received by November 1, 2015.
